MARINE SUPPLY

Capability Statement

GSA MAS CONTRACT 47QSMS24D003U · HOUSTON, TEXAS

COMPANY OVERVIEW

JMSONLINE.NET, LLC is a Houston-based marine and industrial supplier and GSA Multiple Award Schedule contract holder (47QSMS24D003U). We have supplied boaters, fleets and government agencies since 2008. About 97,000 items are on contract, nearly 300,000 are available commercially, and most orders ship within 1–2 business days.

CORE COMPETENCIES

- **Marine hardware and deck supplies:** lines and rigging, fenders, anchoring and mooring, lighting and electrical.
- **Safety and survival:** life jackets and PFDs, work vests, flotation, EPIRBs, PLBs, life rafts, throwables, signaling.
- **Engine and propulsion parts:** Mercury/Quicksilver, Sierra, filters and fuel systems (Racor), raw water strainers, propellers, maintenance supplies.
- **Steering and controls:** hydraulic and mechanical steering (SeaStar).
- **Navigation and electronics:** GPS, chartplotters, sonar, fishfinders, AIS systems.
- **Electrical and power:** batteries including lead-acid, AGM and lithium (Battle Born, Midstate, Optima), charging, wiring, lighting.
- **Industrial MRO:** tools, fasteners, maintenance and facility supplies.
- **Sourcing hard-to-find parts** by manufacturer part number across a multi-distributor network.

DIFFERENTIATORS

- **Federally vetted:** active GSA Schedule holder with pricing reviewed by GSA, SAM-registered, TAA-compliant contract items.
- **Breadth from one source:** about 300,000 SKUs, consolidating many small purchases into one supplier.
- **Fast fulfillment:** most orders ship within 1–2 business days; live stock from multiple U.S. distributors.
- **Easy to buy from:** purchase orders, checks, major cards and GSA SmartPay with no card fees, online quotes as PDF, EDI ordering.
- **Local to the Houston Ship Channel:** same-region supplier for terminals, fleets and marine operators on the Gulf Coast.
- **Live customer support:** a direct line to people who know the parts.
